'WHERE PASSION MEETS PERFORMANCE'

3 3 3

Now what is my 'Golf Teacher' up to? More numbers?

In my head once again? **"YES!"**

This is a simple and logical 'Lesson Tenet' used by your '555 TEAM' to keep both you, the student and we, the teachers, in sync!

The 'Three Lesson Package' is the subject. You take '**Three**' relatively evenly spaced lessons over about a '**Three**' week period of time. A month does just fine as well. That gives us the '3 3' of the '3 3 3'.

You must also practice '**Three**' times between each lesson. If you fail to practice what we addresses in the lesson and detailed 'In Writing' during the 'De-Brief Interval', then you are paying for our supervising your practice sessions. That is expensive and quite unnecessary.

If you commit to following the '555 Golf Team's Guidance', even without direct one on one contact, using this electronic medium, you shall grow predictably. You shall gain more respect and have more 'FUN'!

So now you have 'The Rest Of The Story'!

The '3 3 3' Tale!

"Welcome Aboard!"
"Enjoy The Ride!"
