WHERE PASSION MEETS PERFORMANCE

CRAP SHOOT DATING REALLY IS BLIND RISK

Like 'Crap Shoot Golf'

Dating, for those of us who are tired of being single, can be a royal pain! High risk, expensive and a bit of an equally royal 'Crap Shoot' ... right? Nice voice over the phone turns out to be 350 pounds and a bit burp, stink and sweat!

So can 'Making A Sound Golf Swing Repeatedly' be a bit of a 'Get Lucky Affair'!

Closets and corners full of new but underused or even abandoned clubs? An office or recreation room shelf full of 'Golf Videos' that are gathering dust, as many 'Books and Magazine Articles' in a big pile promising 'Quick Fixes' to the willing followed by more endless doses of television snake oil? Is castor oil better or similar? A few table spoons full can makes the mind tight and the body loose! Messy?

How many of your 'Big Golf Hopes' have waxed and waned into oblivion already?

"Oh, it's just another day filled with hope!"

Does each new warming dawn keep you going back for more?

Memories, aspirations and questions running through your mind ...

You '555 Team' is here to help!

"Welcome Aboard!"

"Enjoy The Ride!"
