'PERFORMANCE EXCELLENCE'

FALSE HOPE

never ends all that well

We all want and even demand more hope in our lives, but not 'False Hope'. Build it on the sand and a 'Spring Tide' stirred by a 'Full Moon' and 'Brisk Breezes' shall wash it away!

Any good 'Golf Swing and Game' can stand the test of hard play, can stand the pressure and the heat in the kitchen, but, pretending there is this soundness, is a formula for disaster drenched in the juices and condiments of what is usually 'Terminal Frustration'. 'Old Lady Golf' ... 'She' will beat you up with her hammer-like honesty or embrace you like a kindly grandmother! Oh, but which today!

You may be 'Feeling Frustrated' or even cheated? Are you a beginning golfer looking for a head start? Not hitting the 'Short Stuff' often enough? Perhaps you have been playing the game for a while but can't quite get the 'Consistency' on the green that you would like? Are you tired of paying for equipment and lessons with little or no improvement? Enough is enough!

Golf teachers must create 'Hope' followed up by lasting gains proven by play in all conditions!

Did you know that you can reduce your 'Handicap' by 25% with just one '4 Session Series' of golf lessons from your 'Certified 555 Team Teaching Professional'? ... **"Satisfaction Guaranteed"?**

Access to our dramatic 'Problem Solving Golf Swing & Concepts' will change how you look at your game. You might even look forward to it! Access to our new paradigm called 'The Natural Progression Of Your Golf Swing' will change your ball striking path and trajectory. Your scores will reduce dramatically. What lunatic would willingly invite the agony of defeat and delay the ecstasy of winning?

Stop struggling and get instant access to years of successful information compiled and fine tuned by terrific players and teachers. It takes only minutes to 'Join The 555 Family' via our newly remodeled website ... www.555golf.com ... You will be glad you did!
