'PERFORMANCE EXCELLENCE'

FRESH, COMMITTED & THOROUGH

When you attend a '555 Golf Clinic or School', ranging from half to a full day or four, you will soon understand that we always spend 1 to 3 hours in a classroom environment discussing and receiving very specific handouts that you can use as reference for decades to follow. This is what you must have to get 'Value'! You will also become a 'Club House Member' ('CHM') and very likely a 'Locker Room Member' ('LRM') as well. This 'Inner Circle' provides live support from your very own 'Certified Master Teaching Professional' ('CMTP'). Have you put one on retainer? We build relationships that grow and last. You shall soon know this first-hand!

The class room session provides 'Knowledge' which enables a 'Positive Experience'. (see 'The 5 Set-Ups' and 'The 5 Essential Elements') This translates a 'Think I Can' attitude into a 'Yes I Can' reality. When you tell one of our 'CMTPs' that you 'Think You Can', we soon give you the opportunity to "Show Me!" A Real grasp of 'Ball Flight Laws' is what matters. Predictable 'Ball Flight Shape' will be the imminent result and proof of performance and that 'Experience'.

How does this process evolve on a predictable path? We must accomplish 'Impact' [A] which is reliable contact and the resultant 'Energy Transfer'. Next we must understand and accomplish 'Directional and Shape Control' [B]. (see 'Initial Path & Spin Rate') Finally we must generate adequate 'Clubhead Speed' [C] to accomplish our desired 'Distance' ... 'Master Golf Basics'.

If we learn how to 'Putt & Chip' with a 12-17 inch 'Back & Up Swing' followed by our 'Transition Word' "&", then we can accomplish our 10-15 inch 'Down & Out Swing Through Our Intermediate Target'. We also refer to this as traveling through our 'Swing Gate'. We soon learn that 'AT' is counterproductive while 'THROUGH' is productive.

Once you accomplish this 'ABC' you can 'Fix Things Golf' at will. These are 'Mastering Golf Basics' elements. Next, if we are intelligent about this goal we call 'GOLF', we shall learn to play the game 'From Green To Tee' ... backwards ... short to long. **"I Drive As I Putt"**.

More to tell you as soon as you so desire to connect!

"Welcome Aboard!"
"Enjoy The Ride!"
