GOLF VIDEOS

Emptor Caveat!

Buyer Beware!

I know we are tempted to buy that 'Special Video Series', all compiled just for you!
... the fix all that has been hidden for a decade, only to be disclosed to the elite.

You are unique and any video or series may not apply to you.

You must be able to understand what is being provided.

If you do not get 'IT' don't continue without help.

Do not just go out and buy hype ... snake oil and elixir.

Even the taste will disappoint you, let alone the results.

It may be disguised castor oil that will leave you hugging a post unable to cough or sneeze.

That is an outcome!

Only buy material that helps you 'Master Golf Basics', material that deals with 'Posture, Grip, Stance, Ball Location and Alignment, material that deals with 'Clubface Aim, Clubhead Path, Clubhead Speed, Sweet Spot and Angle Of Attack'. This leads to your grasp of 'Ball Flight Shape', then scoring and thus to success and happiness.

'Newtonian Golf Basics' never get old and apply to every one of us, every strike.

Keep focused on ingredients that shall make up your desired recipe.

Enjoy!
