

# **555 Faults & Fixes**

## **‘PERFORMANCE EXCELLENCE’**

### **ARMED WITH THE TOOLS**

Your ‘555 Team’ approach to ‘**Faults & Fixes**’ is both very simple and highly predictable. Those are both good things in ‘Golf’ and ‘Life’!

You know that we strive to understand ‘Scientific Realities’ such as ‘**The Physics Of Rotation**’ and ‘**The Geometry Of The Circle**’. This material always applies.

There are aspects and elements that are ‘Consistent’ to every swing universally. ‘**The 555 System**’ includes a very comprehensive application and foundation of these.

Whenever we come up against a ‘Fault’, the ‘Fix’ relies upon our knowledge of ‘**The 5 SET-UPS**’, ‘**The 5 ESSENTIAL ELEMENTS**’ and ‘**The Five 555 CONCEPTS**’ which we call the ‘**Problem Solvers**’. Sounds like these three groups of five might be worthwhile noting as we get into yet another ‘Faults & Fixes’. Here they are!

#### **‘The 5 SET-UPS’ ...**

**1)** ‘Posture’, **2)** ‘Grip’, **3)** ‘Stance’, **4)** ‘Ball Location’ and **5)** ‘Alignment’.

#### **‘The 5 ESSENTIAL ELEMENTS’ ...**

**1)** ‘Clubface AIM’, **2)** ‘Clubhead PATH’, **3)** ‘Clubhead SPEED’, **4)** ‘Sweet Spot’ and **5)** ‘Angle Of Attack’.

#### **‘The FIVE 555 PROBLEM SOLVING CONCEPTS’ ...**

**1)** ‘The Golfing Machine Concept’, **2)** ‘The Tether Ball Pole Concept’, **3)** ‘The Balsa Airplane Concept’, **4)** ‘The Human Ratchet Set Concept’ and **5)** ‘The Dead Rope Concept’.

Equipped with these ‘**Three Groups Of Five**’, we can tackle any ‘**Mechanical Golf Issue**’ that arises in a logical and realistic manner. ‘**Faults & Fixes**’ will become second nature.

**“Welcome Aboard!”**

**“Enjoy The Ride!”**

## **NO TIME TO PLAY ISSUE**

It seems that we all must work harder and longer to keep ahead of inflation and just userous fuel prices and the like. Greed is not at all uncommon!

So you really enjoy 'Golf' but have some budget constraints and, even worse, very little and decreasing opportunity to actually get out and play a round. A little time to practice seems easier. Well and good, but you must apply your skills to the links and 'Play'. We all need healthy doses of validation!

One must always prioritize! Right?

If you really enjoy an afternoon on course with the boys, **'MAKE TIME!'**

I can hear you saying **"Easy For You To Say!"**

You can always get more efficient in your **'To Do List'** for a couple days and clean off your desk for a Thursday afternoon with a couple fellow employees or even clients. Your support system will miss you less than you think! Besides, they need to know how to miss you more! Get away!

If you have family or **'Honey Do'** issues, make compromises. The spouse may want ot join you and like it too!

If the 'Desire' is there, you shall accomplish the event and be the better for it!

Get over complacent and hurdles!

Fill up life wisely!

Make plans!

Take actions!

**"Welcome Aboard!"**  
**"Enjoy The Ride!"**
