'PERFORMANCE EXCELLENCE'

PUTTING 'The Fall Line'

I am often asked for a 'Morsel Of Truth' ... **"Any Key Advice On My Putting?"**

This 'Golf Tip' may seem just slightly out of the 'Bull's Eye', more important things to ponder, a little unusual, but it is more central than one might think.

Here it is! Find 'The Zero Break or The Fall Line' ... the point from which the 'Ball Rolling Line' ('BRL') is 'Dead Straight' ... no break and directly into the little white bucket!

"Why is it important?" you ask?

'555 Golf System Simplicity'! If you know what 'Dead Straight' is, you shall know better what your break really is! You will not have to guess at what your ball will do. You shall know!

'Confident, Comfortable & Consistent' ... the 555 System's 3 Cs'.

'Inch By Inch, It's A Cinch!'

With this knowledge you have an edge ... a leg up on your competitor!

Well done!

Play well!
