'PERFORMANCE EXCELLENCE'

USE IT OR LOSE IT

Your '555 Team' actually says **'Choose It, Use It or Lose It'!**

What do we mean by this simple little statement?

Once you have our 'Systematic Knowledge', the real basics in hand, and have it proven professional by our cooperative 'Work Smart' efforts, (which we always accomplish expeditiously), you are compelled to apply what you learn. This builds 'Experience' and the ladder to lofty happiness.

When you have a '555 Set-Up' that works, once you have a '555 Pre Shot Routine' that supports your desires and ensures success, blocking out extraneous junk that clutters so many golfers' sanity, you would be a numbskull not to embrace and repeat these elements. We promise to make them fit YOU! They invite, engender, insure and nourish happiness ... never a bad resume so far in this 'Country Gentleman Teacher's' lifetime of promoting efficient golf!

We shall be your crutches as long as needed. That has been the '555 Golf Commitment' for decades.

Once you 'Master Golf Basics' ('Learn It') you must 'Choose It', 'Use It' or 'Lose It'. ('Free Will' is, however, still a potent ingredient of each one of our lives)

Take that step to contact us. The ways are directly below.

Enough putting it off! Join our successful family now!

We shall quickly prove our value!

Not all that complicated for a country or city boy?

"Welcome Aboard!"
"Enjoy The Ride!"
